STATEMENT OF SUBSTANCE OF INTERVIEW

Dear Sir:

- 1) Enclosed with the Notice of Allowance is an Examiner's Interview Summary referring to a Telephone Interview on November 17, 2003. There was actually no Telephone Interview on that date. The substance of the Interview Summary seems to relate to a Telephone Interview that was conducted on November 4, 2003.
- 2) In a further Telephone Interview on November 18, 2003, the Examiner indicated that our Corrective Supplemental Response of November 12, 2003 had not yet reached her, and requested that we should fax a copy thereof to her direct fax number, which we did.
- 3) In a further Telephone Interview on November 20, 2003, the Examiner indicated that our Response had been entered and the case is allowed.

Respectfully submitted,

Rolf ESPE
